In collaboration with the
International Association of Surgeons
Gastroenterologists and Oncologists

COURSE DESCRIPTION

Nationally and internationally renowned faculty provide a state-of-the-art update on the latest treatment options for patients with hepato-pancreatico-biliary cancers.

The program is designed to provide a multidisciplinary overview on the importance of early diagnosis and treatment considerations, including surgery, radiation, loco-regional approaches, and systemic therapies. There will be an emphasis on implementation of these approaches into clinical practice.

TARGET AUDIENCE

This course is intended for surgeons, gastroenterologists, medical and radiation oncologists, laboratory scientists, physician assistants, nurse practitioners, registered nurses, oncology pharmacists, oncology nurses and clinical research personnel. Specialties include: medical oncology, hematology, gastroenterology, radiation oncology, surgical oncology, pathology, radiology, and laboratory research science.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Identify current and emerging strategies for early diagnosis and surveillance of liver cancer.
- Identify patients suitable for a liver transplantation, surgical resection, radiation therapy, or other loco-regional approaches.
- Integrate novel molecularly-targeted, as well as immune-based, therapeutic strategies in clinical care and clinical trial participation.
- Describe molecular biology of pancreatic liver and biliary cancers.
- Recognize the appropriate regimen for first and second line therapy in treating advanced pancreatic cancer, liver and biliary cancer.
- Describe the latest state of the science in pancreatic cancer, liver and biliary cancer.

CREDIT

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA: Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 8.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.75 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

ANCC: Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 8.75 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AOA: The American Osteopathic Association designates this program for a maximum of 8.75 AOA Category 2-A credits.

Other Healthcare Professionals: A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Registration Fee (in USD)	On or Before Oct 12	After Oct 12
Physicians/Scientists	\$500	\$575
Residents, Physician Assistants and Nurse Practitioners	\$375	\$450

Visit the course website for a complete program and online registration.

ACCOMMODATIONS

Wynn Las Vegas | (702) 770-7000 | www.wynnlasvegas.com

3131 South Las Vegas Boulevard | Las Vegas, NV 89109

A limited block of guest rooms have been reserved for attendees with special course rates:

Wynn Deluxe Resort Guestroom: \$259, and Wynn Deluxe Resort Double Guestroom:

\$289. A \$35.00 plus tax daily resort fee, which includes Wi-Fi, access to the fitness

center, and priority tickets for entertainment applies to all reservations. Reserve your

room before the limited block fills, or by October 12, 2021, in order to receive the

discounted rates. **Reservations** <https://book.passkey.com/go/MayoClinic21>
